

# NEW! Custom Printed, Erasable Sidewalk Signs

Looks like a full-color promotional sign, works like a whiteboard! With the vivid graphics and trendy look, your establishment will get noticed!

## You'll be the envy of the sidewalk.

Heavy-duty, 2-sided sidewalk signs, feature durable weather-resistant fiberglass VividBoards! These sidewalk signs won't rust, warp or fade and will stay vibrant in any weather! Darker background VividBoards look just like a neon sign with our fluorescent wet-erase markers.

VividBoard is offering an all-inclusive package; all you do is open the box and start promoting your business. Just send us your artwork in a high resolution .jpg, .pdf, or .tif file and we'll create a brilliant, high impact dry-erase sidewalk easel sign.

- Two 24" x 36" weather-resistant, fiberglass whiteboards with your high impact image embedded right into the surface
- Vividboards quickly slide securely into place
- Outrigger feet click-lock into position with no tools required and can be filled with sand or water for even more stability
- Available in white or black
